Guy: Don't you hate it when you're eating apple sauce and your friends say "oh look who's eating baby food again"?

Well not anymore! Big Boss Apple Sauce is the apple sauce for adults only.

We crush the whole apple. The skin, the stem, the seeds, we don't even peel the stickers off.

So the next time someone accuses you of eating baby food, you can say "actually this would be very harmful for children." Order yours today at Big Boss-

Announcer: Some businesses don't make sense. Ours does. Maple Leaf Storage. Sensible, storage, solutions.

Guy: Can I store my apple sauce there? It's not selling.
